> RTS Retail

A division of RTS Companies Inc.

"We are committed to supplying value to our customers. We provide acceptable, consistent quality products, delivered on-time, with exceeded expectations. We wish our customers to view RTS as a responsive, dependable, and successful supplier." - Graham Lobban, President

RTS Retail was developed with a one-stop-shop vision in mind. As a manufacturer of kiddie carts since 2003, RTS Retail has since then expanded its product line to service retailers in every way possible. We have recently added to our family of products with a full line of convenience store and gas bar merchandising products and fixtures, as well as eCommerce Essentials to help propel you into the online market.

And if we do not currently make it, we will find a way with our custom design program!

All efforts are made to use the best material and processes available to maximize the longevity of our products. Our molded products are manufactured on computer directed machines using polyethylene resin with the highest UV package in the industry, as well as galvanized metal to ensure superior strength and fixture lifespan.

We are dedicated to working with you to help increase customer loyalty, return visits, and top of mind awareness at your location. It is a competitive market out there, and we want to ensure you provide your customers with the service they have come to expect.

**RTS - your
custom and branded
work specialists!**

48"L x 44"W x 24"H

> 3-Tier Round Display with Plant Hanger

Features:

- Perfect for seasonal sales
- Suitable for indoor and outdoor displays
- 360° merchandising

48" 3-Tier Round Display

Part No. 4213-14845B-11-13
48" Diameter x 81"H

60" 3-Tier Round Display

Part No. 4213-16045B-11-13 with plant rack
Part No. 4213-16045B-10-13 no plant rack
60" Diameter x 81"H

> Tool & Long Stock Display Cart

Features:

- Designed with UV inhibitors to reduce fading
- Holds 38 long handle tools
- Casters allow you to move your display with ease

Specifications

Part No. 4211-13637B-14-32
36"L x 24"W x 37"H

> Mobile 3-Step Plant Hanger

Features:

- Designed with real world merchandising in mind
- Hang up to 27 baskets
- Design allows for hanging baskets and flats to be displayed together for maximum versatility
- Add casters to allow you to move your display with ease

Specifications

Part No. 4201-29639B-11-13
48"W x 39"D x 86"H

> Flip-Top Nesting Cart

Features:

- Model #851G: 5" poly wheels
- Model #881G: 8" semi-pneumatic rear wheels, 6" semi-pneumatic front wheels
- Powder over E-coated frame
- Heavy duty injection-molded plastic deck
- Flip-up top shelf

Model #851G: 40"L x 26.3"W x 44"H Part No. 4018-00201B-70-77

Model #881G: 40"L x 29.3"W x 47"H Part No. 4018-00202B-70-77

> Corner Guard

Features:

- Brushed stainless steel bumper guard and frame are molded into plastic
- Manufactured from stainless steel and commercial grade UV polyethylene
- Protect your structures from grocery cart bumps and scratches
- Maintenance free and easy to clean

Specifications

Part No. 4063-00101T-XX-00

8.4"L x 8.4"W x 15.5"H

> Racking Guard

Features:

- Manufactured from commercial grade UV stabilized polyethylene resin
- Quick and easy to install
- Available in several standard colors so you can customize them to suit your needs
- Protect your investment from dents and scratches and keep your racking looking new and clean longer

Specifications

Part No. 4062-00101T-XX-00

5"W x 6"D x 18"H

> Storage Bin

Features:

- Made with UV stabilized polyethylene to withstand freezing, thawing and heating
- Excellent container for de-icing sand and salts storage
- Ideal for tool and equipment boxes
- Available in our standard colors to suit your needs

Specifications

Part No. 5025-00100A-XX-00

32"W x 23"D x 29"H

> StoneTec 42 Gallon Waste Container

Features:

- Extremely durable stone is constructed from polymer concrete mix
- Withstands all weather
- Add StoneTec finish panels to instantly improve the look

Specifications

Part No. 5579-00500A-XX-00 (Solid Colors)

18.5"W x 18.5"D x 42"H

Part No. 5579-00300A-XX-00 (With Stone Finish)

18.5"W x 18.5"D x 42"H

EnviroWirx™

4.5 and 7 yard Semi-Underground Waste Containers

> Semi-Underground Waste Container

It's clean, innovative and it wirx. No special equipment is needed for emptying. It is available with either the standard wastelid or a recycling lid, which are both secure to keep unwanted waste and pests out. Clean up the look of your waste disposal system today.

> EnviroWirx™ 7 yard

Save space

The EnviroWirx™ 7 yard deep waste container is 42% underground.

Less frequent pick-ups

The self compacting system holds more waste than traditional smaller units.

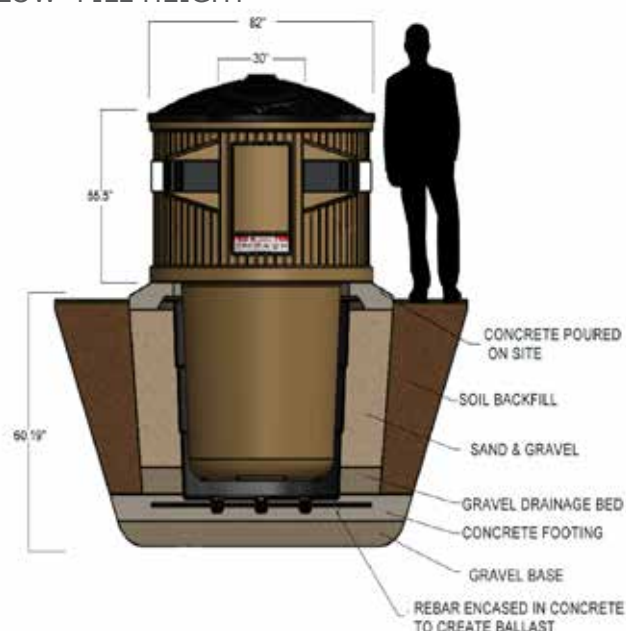

Reduce odors

Cooler sub-surface soil temperatures help to reduce odors.

Easy to install

Please contact us for more information.
Available in a variety of standard colors.

LOW FILL HEIGHT

> EnviroWirx™ 4.5 yard

No excavation required

- Easy to retrofit existing site.

Save money

- No need for enclosure.
- No special pick up equipment is necessary.
- Traditional front end pick up is all you need.
- Low up-front investment.
- **Great for wet food waste, organics, and coffee grinds.**

> EnviroWirx™ solves common above ground dumpster problems

Smaller Footprint

It would take 15 large waste carts to fill one EnviroWirx™ 7 yard/5,350 litre deep waste container. A large percentage of the unit is underground and hidden from sight, keeping your waste collection location clean and compact. No need for dumpster corrals.

Keeping Unwanted Wildlife Out

The sealed secure lid keeps ANY form of wildlife out from raccoons to wasps.

Locking Mechanism

A key lock on the usage lid to mitigate illegal dumping and to keep the unit and it's users safe and secure.

Clean Appearance, No Litter

Aesthetically pleasing, to make the entire waste area look better. The large opening makes it easy and the ideal height for waste disposal while reducing spillage.

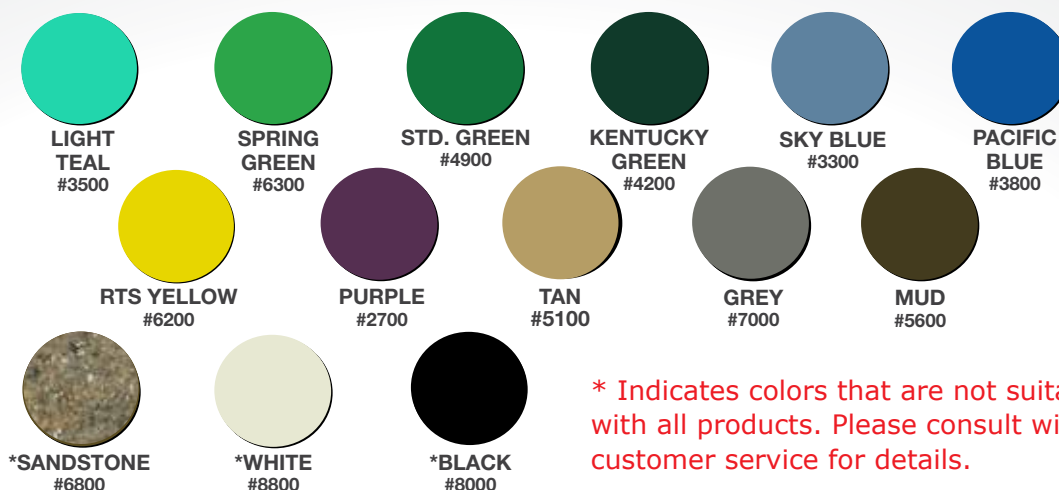

> Standard Colors

RTS Standard Colors comprise our "in-stock" inventory program. Components, unless otherwise noted are available in Standard Colors. Standard Color components are normally available for immediate or short term shipping of two weeks or less.

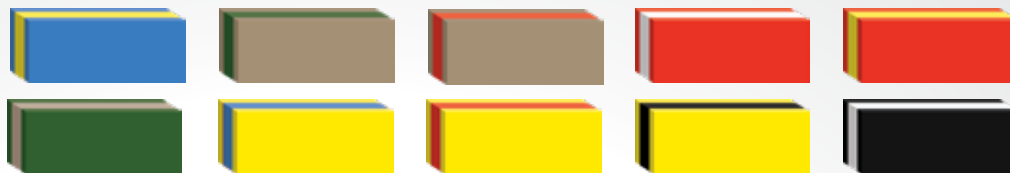

> Secondary Colors

RTS Secondary Colors are available in all components based on minimum quantity orders, or otherwise subject to additional charges.

> CNC Colors

> Custom Colors

RTS can match your specific color requirements from a chip sample or Pantone (uncoated) number designation. Custom Colors may be subject to minimum quantity restrictions and/or additional charges.

*Note: Colors not exactly as shown. Not all colors available for all products. Please call Customer Service for selection.
